## CITY PLANS JULY 4TH ACTIVITIES

Physical Fitness through Recreation will be the theme of the annual Fourth of July celebration in Albany this year. All age groups will be represented in the day activities. Baseball games will start the day's program at 10 a.m. For the still younger children, there will be a Beauty Contest and a Mr. America Contest for children under 6.

A demonstration of the tests on the playground throughout the summer will be held at 2 p.m. Boys and girls may take these tests for awards any time during the summer vacation. At the Albany Chamber of Commerce will play host to all free coffee and ice cream. Between cups of coffee, a horse-pitching contest will be held for the ladies a patriotic hat contest.

Getting under way in the afternoon, the Junior American League Baseball Team will play one of its rivals. Game time will be 7 p.m. At 2 p.m. the Albany M.C.A. Aquatic group will put on an Aquatics Show that is too good to miss. The show will be held at the Albany Pool. Admission will not be charged.

A feature show of physical fitness will take place at 3 p.m. Light Lifting Champion; Donanda, Middle Weight Champion, Northern California; Bill Rhodes, "Mr. San Francisco," Middle Heavy Weight Lifting Champion of Northern California; Reg Lewis, 1957 "Mr. Universe," and Professional "Mr. U.S.A." and Albany's Kurt Freeman, "Mr. Navy," "Mr. Northern California" and Runner-up 1959 Light Coast Weight Lifting Championships, will put on a light lifting demonstration and following this male demonstration of health and physical fitness will be the Ladies Physical Fitness Contest. Entered will be one of the most attractive girls in Northern California. Contest will be judged for physical fitness and the beauty which comes from good health.

## This Is Albany

**NETX TUESDAY, JUNE 30** will be "Demotion Day" at the Albany Rotary luncheon. Past President Dick Thomssen will be chairman of the day and will preside over the ceremonies which traditionally are kept a secret until the program starts. President Herb Foley will be assisted in stepping down and out after a most successful year as head of the local club.

Last Tuesday Jack Labadie presented a film showing the famous Chevrolet "Soap Box Derby" in action. Admiral Hipp, U.S.N. Retired, will be speaker of the day at the luncheon on July 7. He will speak on "Naval Operations," with Bob Olson as chairman of the day.

**NEW OFFICERS FOR ALBANY HIGH SCHOOL P.T.A.** for the 1959-60 term were recently installed by Mrs. Tom Maloney, new president of the Albany Berkeley Council of Parent-Teacher Associations. They are: Mrs. Fred M. Brown, President; Mrs. Ted McCain, 1st Vice-President; Mrs. Michael Silvester, 2nd Vice-President; Mrs. Michael Bunch, Recording Secretary; Mrs. Glenn L. Finney, Corresponding Secretary; Mrs. William Ochoa, Financial Secretary; Mrs. William Roberts, Treasurer; Mrs. Stanley R. Williamson Auditor; Mrs. Ray Paine, Historian; Mrs. Olga Coggiola, Delegate to Council and Mrs. Clarence Quick, Parliamentarian.

The new board will consist of 65 members when all the chairmanships have been completed, which will be the largest in history.

**THE PARENTS OF THE ALBANY HIGH SCHOOL** class of 1959 wish to express their sincere appreciation and thanks to their many friends and to the merchants of Albany who were so generous with their aid and cooperation, without which the recent all-night party could not have been the success it was. The party was held in the Marine room of the Turf Club at Golden Gate Fields on June 11 following the graduation ceremonies. It will live long among the cherished memories of the graduates and their parents.

## City Will Burn Weeds Starting About July 14

Fire Chief Gerald D. Browne announced that the annual burning of empty lots will take place on or immediately after July 14. There will be no burning on Saturdays, Sundays or Mondays.

Residents are asked to cooperate with the weed burning crews by cutting weeds back from fences, hedges or other exposures to a distance of three feet. The burning of empty lots by the weed burning crews will continue until all lots have been burned off. Housewives are warned that they should keep all windows of their homes closed while the crew is in the area to prevent smoke getting into their houses. Washing should not be left on the line while the housewife is away from home or the crews are in the immediate neighborhood.

The chief wishes to let the citizens realize that the burning of lots is about a month earlier this year due to the prolonged dry season being experienced in the Bay Area.

## Committee On New Buildings Plans Cake Sale

The newly organized citizens committee on new public buildings is planning a cake sale for the purpose of supporting the ballot issue for new police, fire stations and city hall. Members of the committee said that the sale of the cakes will take place Thursday and Friday, July 2 and 3. On July 2 the cake sales will take place at Dagna's Market, Solano and Ramona and Safeway, Solano and Santa Fe. The Bank of America located at Nielson and Solano and the Mechanics Bank located in the 1100 block on Solano will be the scene for the cake sales on Friday, July 3. The ladies of the organization will be in charge of the sales at these banks.

Proceeds from the sale of these cakes will help to defray expenses for the promotion of the new fire, police and city hall bond issue to appear on the ballot in September. The interested ladies believe now is the time for the citizens of Albany to realize that their public buildings have reached a stage where maintenance of the old buildings is no longer economical and new buildings should be erected. Greater efficiency and long range savings to the taxpayer will be realized by the passage of this bond issue in September the ladies believe.

## Albany Crusade Reveals Goal for '59 Fund Drive

A goal of \$12,393 will be the target for Albany campaigners this fall when the United Crusade launches its 1959 fund drive in quest of a county-wide total of \$2,627,358, according to Bert F. Griffin, Albany campaign chairman.

The Albany goal figure represents an increase of 9.3 per cent over what was actually raised in the area last year but is \$1,984 lower than the goal set in 1958.

Individual goals set for the five Albany campaign divisions listed by Griffin included: Business Division, \$2,545; Commerce & Industry Division, \$4,460; Education Division, \$2,073; Public Employees Division, \$615; and the Residential Division, \$2,700.

## Parents Warned of Fireworks Danger

Children as well as parents are warned against the use of fireworks during the Independence Day celebration. State law as well as City Ordinance forbids the firing or discharge of any fireworks at any time in the State (cap pistols excepted). The Albany Police and Fire Departments ask the cooperation of all parents to discourage the use of fireworks by their children.

The Police Department will confiscate all fireworks they may locate and sellers of the merchandise will be prosecuted. The purpose of enforcing this law is not to deprive any one the joys of celebrating the day of our independence but modern living dictates that the using of dangerous fireworks must be discontinued due to the high rate of injuries to children and the tremendous losses to property from this source.

## Albany Girl Graduates at U. of Oregon

Miss Joan Marilyn Allorno, daughter of Mr. and Mrs. M. H. Allorno of 719 Jackson Street, Albany, was graduated on June 14 from the University of Oregon at Eugene, with the degree of Bachelor of Arts.

The young graduate recently traveled to New York by jet as the guest of Glamour Magazine to be a star model, appear on TV and to take part in various college fashion shows.

Her trip was a repeat performance of last year when she was chosen by the magazine as one of the "ten best dressed college girls of 1958." This year she has been titled, "honorary best dressed," a newly created role by the magazine.

She is a graduate of Albany High School, and has two younger sisters, Judy, a freshman at Contra Costa J.C., and Joy, a student at Albany High School.

Consideration for the family comes first.

## Alameda County Fair To Open Monday, June 29

The economic and cultural growth of California's second largest county fair will go on display at the 17th annual Alameda County Fair which opens a 14-day run at Pleasanton Monday, June 29.

Record-breaking entries are expected in the Fair's 17 major departments in which exhibitors will vie for more than \$80,000 in premium money, according to William Ralph, president of the fair board.

The major divisions are: livestock, feature exhibits, agriculture, horticulture, floriculture, art, photography, wine, home economics, mineral and mining, poultry, pigeons, rabbits and budgies, Veterans rehabilitation, 4-H and Future Farmers of America.

Post-time for the pari-mutuel horse racing program will be 12:15 p.m.

Opening day will highlight the colorful "Maid of Alameda County Fair" beauty parade. Girls from 13 Alameda County cities will vie for the coveted title and the winner will reign over the 14-day fair.

Admission to the historic festival will be 50 cents for adults. Children, under 13, will be admitted free of charge. Gates will be open daily from 10 a.m. to 10 p.m.

## Plan Welcome for Dahl and Mulford

Assemblymen Walter L. Dahl and Don Mulford will be officially welcomed home by the Republican Central Committee of Alameda County at a special meeting of the Central Committee to be held at Ebel Hall, 1449 Harrison Street, Oakland, Monday evening, June 29 at 7:30 p.m.

## Chamber Chatter

By IRENE GROVE  
A very special visitor to your Chamber of Commerce office this week was Albany's "special friend," County Supervisor Kent Pursel who brought the good news that...

You are all invited to a most important event! The new Berkeley - Albany Municipal Court Building will be officially open for use, Tuesday, June 30. Dedication ceremonies are set for 2 p.m. in one of the courtrooms and there will be "open house" all day Tuesday from 10 a.m. until 9:30 p.m. Don't miss this opportunity to view first-hand the first municipal court facility built by the Alameda County Supervisors in Alameda County.

A luncheon for the judges and special guests will be held at noon in Berkeley Elks Club. You have a part in this through your Albany Chamber of Commerce and the City of Albany in the presentation of a set of flags for this beautiful new building.

It isn't too late to get in on the big values at Call Brothers Jewelers, 850 San Pablo Avenue, as their 16th Anniversary Sale, which began June 16 is still in progress. New values each day... don't miss the special "dollar table."

Another new look along San Pablo Avenue is the newly remodeled building for Jan Prins, Signs, 625 San Pablo and F. E. Baird Plumbing, 627 San Pablo. American Legion Post No. 292 and Auxiliary will do it again... advertise our city of Albany. The post is not only sending eighteen delegates and alternates to the State Convention in Hollywood, June 24-28, but their very fine color guard and bowling team. The Auxiliary will meet at the same time in nearby Santa Monica and Albany will have eight delegates and alternates. Have a wonderful time... They will be wearing your Chamber of Commerce white and red caps, proclaiming "they are from Albany."

Also out of the city at a convention are Frank Lacy and his son Bill who are attending a Bowling Proprietors Convention in Miami, Florida. More about (Continued on Page 2)

## ALBANY TO VOTE ON BONDS SEPT. 29

The Albany City Council voted Monday night's meeting 4 to 1 to hold a city election Tuesday, September 29, on a proposed issue of \$600,000 in bonds with which to replace the present police and fire buildings and build a new city hall.

The proposal would be divided two ways, with \$380,000 to cover replacement of the badly deteriorated police and fire buildings, and \$220,000 for a new city hall.

The department buildings have long since been outgrown, and cost of repairs has constantly increased during the last few years. The plaster is falling off, the roof leaks badly every winter, the walls are termite infested and the foundations are on the verge of collapsing, according to members of the departments.

With respect to the city hall the building is badly ventilated and the main office is crowded. Storage space for city records has long since overflowed the city's vault.

Motion to set the date of the election was made by Councilman Keck and seconded by Councilman Donahue. Mrs. Zahn cast the single dissenting vote. City Clerk Myrtle J. McLean was instructed to go ahead with the necessary preparatory work for the holding of the election on the date specified.

In other action the council denied the request of the Albert Lovett Co., for the rezoning of lots at the north city limits between Evelyn and Talbot Avenues for the purpose of establishing a nursery. Denial was based on the fact that considerably more than the necessary 20 per cent of the surrounding property owners had protested the rezoning.

A report from City Attorney Foley was read in which he outlined results of a conference with Harold G. Denham, representing the Senior Citizen group in the proposal to grant the Senior Citizen Foundation permission to build a structure on house Senior Citizen activities in one corner of the city's Memorial Park. After some discussion, which revealed considerable opposition to the move, Councilman Howell moved, seconded by Councilman Donahue, that a public hearing be held at the council meeting of July 6 to thoroughly discuss the proposal and endeavor to get the opposing factions together on a plan satisfactory to all concerned. This passed 4 to 1, Mrs. Zahn dissenting.

The council also passed on first reading Ordinance No. 59-012, rezoning Lots 17, 18 and 19, Block 29, Regents Park Map No. 6, to 3-Story Commercial for the stated purpose of constructing a super market on that and adjoining property on San Pablo at the north city limits. The San Pablo property already is zoned 6-Story Commercial. The ordinance was approved unanimously.

The proposed weed cleaning program was passed 5 to 0, and the weed burning is scheduled to start on or after July 14.

At the request of Mrs. Zahn the council agreed to meet with the Planning and Zoning Commission on August 11 for the purpose of taking action on the proposed new zoning ordinance which has been under consideration for approximately a year.

The council approved the recommendation of Police Chief Ralph Jensen that Patricia M. Faria be appointed as a regular certified policewoman-clerk. This was passed 4 to 1, Mrs. Zahn dissenting.

## NOTICE OF PUBLIC MEETING

The Albany City Council will hold a public meeting in the Council Chamber, City Hall, 1045 Solano Avenue, Albany, California, on MONDAY, July 6, 1959 at 8 p.m., to hear discussions, pro and con, on the proposed plan to erect a Senior Center on a portion of city owned land in Memorial Park.

All interested citizens are invited to appear and express their views on this matter.

By Order of the City Council.

(Signed) MYRTLE J. McLEAN City Clerk

Dated: June 23, 1959.

## CHOOSING A BANK

is in a way like choosing a wife — a doctor — a lawyer — a church. Next to these — yes — and sometimes even before — MONEY is closest to our hearts. And most of the time MONEY means a BANK. That is where we get it and that is where we put it. Because it has our money we feel that our bank is a part of us, and it really is. "Mechanics" enjoys this close relationship to a remarkable degree. It is noted for its loyal customers and, of course, there is a reason. If we are not acquainted, won't you come in? We will do our best to show you this reason.

THE HOP AND GLIDE DANCERS, due to the kindness of the Albany Board of Education, start the summer session of dancing Thursday, June 25, 8 p.m., at the Cornell School Auditorium, continuing with Miriam Heath as instructor.

President Caroline Matthew, having so successfully carried on in the past, has been re-elected for the ensuing year. The Hop and Gliders welcome 50 and over oldsters, singles as well as couples, interested in folk dancing with ballroom dancing during intermission. For information call LA 5-4165.

THE ALBANY PUBLIC LIBRARY will sponsor a summer reading club for children from 8 to 11 years of age commencing Thursday, July 2, at 10:30 a.m., and will continue through the school vacation if enough interest is shown.

Mrs. Schutz, staff member who will be in charge, will give book talks as well as assist children in choosing books of the appropriate age and ability levels.

Nearly 5000 books are in the children's room so this juvenile agency is well equipped to provide reading material for children as well as for solicitous parents.

Remember the date: Thursday, July 2, 10:30 a.m.

AN ORIENTAL THEME was chosen for the Marin Carnival this fall. Mrs. Robert Fischer, carnival chairman, informs us that a "Persian Market" will be re-created on the Marin School grounds, October 24.

In this connection, seven workshops were scheduled. The first will be held at Mrs. Philip Coop-

er's, 1083 Peralta, LA 6-7657, from 9 a.m. to 12 noon, Friday, June 26.

Marin PTA mothers are invited to attend and contribute their talents.

THE KIWANIS CLUB of Albany - North Berkeley will have as their guest speaker Rene Herrieras at the June 25 luncheon meeting. Mr. Herrieras is the assistant basketball coach at the University of California and his topic will be "Basketball and Scouting." Jordan Hiratzka will introduce the speaker. The meeting will be held at the Red Barn Restaurant.

### Druids Will Hear From Delegates

On Monday, July 6 the officers and members of Albany Circle No. 120, Druids, will welcome the delegates to the Centennial Convention, which was held in Placerville from June 14 to and including June 18. The Arch Druidess, Delphine Whalen, invites all members to attend this meeting. Deputy, Josephine Cobb, of Oliver Francis Circle No. 185, also plans to attend. Plans will be discussed as to the program of the Arch Druidess and appointments of several committees. The date of the official visit of Grand Arch Druidess, Edith Oftedahl, will be announced later.

### Letter to Editor

To the Editor:  
I would like to express my thanks to the Albany Times for printing my letter of two weeks ago in regard to a sponsorship for the Albany Babe Ruth Baseball team.

The request for a sponsor has been fulfilled.  
The team can now continue to play in the League, and all the boys will have an equal opportunity to participate during the summer.

In behalf of the boys, their coaches and their parents I would like to express my thanks to the sponsors.

(ed) George Irwin, Past President of the Rotary Club of Albany, and his wife, Mildred, are meeting in New York this week with more than 16,000 Rotarians and their guests from most of the 113 countries of the world in which there are Rotary clubs for the 50th annual convention of Rotary International.

During the week, they heard numerous distinguished speakers, they participated in discussion forums, on their various businesses and professions and on the service activities of Rotary clubs around the world, and they enjoyed entertainment presented especially for the convention by stars of opera, stage and television.

Among the speakers were Dag

### Oil Firm Honors 2 Veteran Employees

Two employees of the Oleum James W. Kanner, 1045 Key Refinery of the Union Oil Company of California were honored guests at refinery luncheons last week in recognition of their service anniversaries and retirement.

Employees honored were:

Hammarskjold, secretary general of the United Nations; Dr. Werner von Braun, famed missile expert; Author Pearl S. Buck; New York Governor Nelson A. Rockefeller; New York Mayor Robert F. Wagner; University of Iowa Professor Marcus Bach, and Rotary officials from seven countries. The entertainment programs featured opera stars Robert Merrill and Vivienne Della Chiesa, piano comic Victor Borge, spiritual singer Mahalia Jackson, the Guy Lombardo, Ray, Bloch and Sammy Kaye Orchestras, and other top stars of the entertainment world.

Editor, the Albany Times:  
I would like to thank all of our wonderful, kind neighbors, the Church of Christ, the Little League, the Babe Ruth Team and all of those who sent flowers, cards and messages all through this trying time. It is a great feeling to be a part of this grand city of Albany. God bless you all.

## Now—Run Your Car Without Spark Plugs—

Get Up to 31 More Horse-Power, 8 More Miles per Gallon

and peak performance using no premium gas!

SAVE 6c TO 12c PER GALLON. SAVE \$\$\$!

Yes—this revolutionary new FIRE INJECTION SYSTEM—installed in 15 minutes, must deliver maximum power and economy WITHOUT CHANGING TO HIGH-PRICED PREMIUM GAS—must give you up to 31 more H.P., 8 more miles per gallon for the life of your car! See unprecedented GUARANTEE below!

Your car runs because gasoline is fed into the cylinders where a spark causes it to fire. Now here is the important thing. The larger this spark is the more powerful the explosion. The more powerful the explosion, the more power you get from a given amount of gas. Poor explosion means wasted gas, loss of power, poor getaway, bad starting, a sluggish car. Good explosion means more miles per gallon, more horsepower, blazing pickup, an exciting car to drive!

### WHAT CONTROLS ENGINE EFFICIENCY?

Spark plugs control the efficiency of that explosion. And not only do they give a small, weak spark to begin with; but they get worse every mile you drive. And that you can see

for yourself. Put a new set of spark plugs in your car and then look at them at 100 miles, at a thousand miles, at 5,000 miles. Every time you look you will see more filth and carbon and more of the precious electrode burning away.

### STOP USING SPARK PLUGS!

Now, read very carefully what I'm going to suggest... that you stop using spark plugs! That's right, get rid of them—forever. But... if you get rid of your spark plugs, what will ignite the gasoline and make the motor run?

Well, please remember that today you can have gas injection and get far more mileage, efficiency and power from less gas—and in a few years gas injection will be completely replaced by the carburetor. In the same way, now is the time for Americans to replace old-fashioned, temporary, inefficient spark plugs with a modern, efficient, permanent fire injection system!

### PAYS FOR ITSELF IN ONE MONTH!

Now, the SA FIRE INJECTION system is so inexpensive that it can pay for itself in gas savings alone in one month of driving. Forget for the moment about the extra pep, power, performance... the savings in spark plug service and replacement... the savings in wear and tear on pistons and cylinders. Just remember this fire injection system

tem will pay for itself in one month of driving! Here's how: A spark plug jumps a spark across an air gap, limiting the size. A fire injector fires on the surface of a conductor, flame that will not blow out at pressures far greater than those created by the highest compression engine!

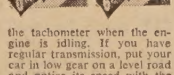

On ordinary spark plugs the air gap is always getting bigger, wasting power and gas. Plugs are constantly accumulating filth and carbon because of inefficient ignition. A fire injector has no air gap and no electrode to burn away. It never needs cleaning or setting; it actually becomes more efficient with use. It will actually outlast any car, delivering maximum efficiency without servicing or replacement.

With ordinary spark plugs you should be using premium gas, while you use up to 8 cents more than regular gas. With fire injectors regular gas will fire you up to 8 more miles per gallon, up to 31 more horsepower—plus easier starting in all weather.

These are some of the reasons that the U. S. Air Force pays premium prices for special aircraft fire injectors for the high-powered engines of their jet aircraft.

### PROVE IT TO YOURSELF!

If you have automatic transmission, make a note of how fast your car crawls forward when it is in the drive position, with the motor idling. If you have a sports car, a racing car or a boat, make a note of the RPMs as indicated on

the tachometer when the engine is idling. If you have regular transmission, put your car in low gear on a level road and notice its speed with the motor idling. Next, take a spark plug wrench (you can procure one of these tools anywhere) and remove your spark plugs. Just screw the injectors right into the spark plug openings. Then—no matter what kind of car you have been using—fill your tank with the poorest regular gas you can buy. That's all you have to do to see the most amazing results you can imagine!

### CHECK YOUR RESULTS CAREFULLY

If you have automatic transmission—now put your car in drive and let your engine idle. If your car stood still with fire plugs, it will move forward

ward at from 4 to 6 miles per hour; that means that the amount of gas that just kept your engine turning over will now carry you up to 6 miles at no cost to you!

If you have a racing car, sports car or a boat, your RPMs will increase up to 300 more at idling—up to 300 more at higher speeds. If you have regular transmission, in low gear and with your motor idling, your car will move forward 4 to 6 miles per hour faster. In other words, no matter what you drive, here is absolute proof that you can go farther, faster and cheaper when you install SA FIRE INJECTORS in your car!

### SEND NO MONEY—JUST MAIL THE COUPON!

Up to now these SA FIRE INJECTORS were practically made by hand and would have had to sell for as high as \$5 each. But we knew that 30 or 40 dollars for a set of 6 to 8 SA FIRE INJECTORS was more than the average driver could afford—so we decided to get the price down so low that these injectors would pay for themselves 12 times, in one year of driving. So here is my astonishing proposition. If you will check your car's performance carefully before and after you install your SA FIRE INJECTORS and then tell your friends and neighbors about them, here is what I am prepared to do for you.

You can have a set of SA FIRE INJECTORS for the year and model of your car for a fraction of their value... that's \$1.49 each... only \$8.94 for a 6-cylinder car or \$11.92 for an 8-cylinder car. Now, if your SA FIRE INJECTORS don't meet my GUARANTEE—they do not continue to deliver maximum performance for the life of your car... you get your money back on 10-day no-risk basis.
